**WE ARE ADDING
MEADE, LAWRENCE,
AND CUSTER
COUNTIES TO OUR
MEMBERSHIP!**

Up until now, we could only offer our services to Pennington County. With the expansion, we are able to provide a wide array of affordable financial products and services and financial education resources to all residents, organizations, and businesses of the area! We believe we will positively impact the lives of additional prospective members and underserved area residents who before now, would not have been eligible to join.

"MED5 strives to create a high-performance credit union committed to offering our members a competitive advantage on products and service compared to traditional lenders and big banks... MED5 FCU believes that through our commitment to become members' primary financial institution, we shall consistently and constantly strive to assist members to attain their personal and professional financial goals with convenience and flexibility, and we look forward to taking this approach to new members in the Meade, Lawrence, and Custer County communities." - Pam Brown-Graff, President and CEO
